

CANCELLATION & ABANDONMENT SECTION 6

This section provides compensation to a Scout Group or Unit for the net determined (agreed) loss of expenses sustained or incurred as a result of the cancellation or abandonment of an insured event. The cancellation and/or abandonment must be beyond the control of the Group or Unit.

The normal limit of cover is £3,000 for any one event, but higher amounts can be arranged if required.

A small excess applies to each and every loss.

Cover is provided on the basis that, when applying for the cover, there are no circumstances known or suspected by your Group/Unit which are likely to result in a claim.

It is essential that this insurance is in force prior to 7 days *before* the beginning of the event.

This insurance does not cover losses arising directly or indirectly from:

- financial failure of the insured event
- insolvency or financial default
- lack of support
- losses recoverable under any other insurance
- non-appearance of individual member, participants/exhibitors, exhibits, players or guests.

If you wish to apply for the cover, complete the proposal form and send it to the address shown. You will be invoiced for the premium.

Questions? Please telephone the Scout Insurance Services, Lancing (01903) 755352.
