FIRST AID MINI KIT		
---------------------------	--	--

Containing:

Triangular Bandage	<i>The First Aid Kit should be kept in a Waterproof Container and should only be opened if required after consultation with a Patrol Leader or Scout Leader.</i>
Sterile Dressings	
Plaster Strips	
Antiseptic Cream	
Table Salt	
Small pair of Scissors	
Tweezers	
Safety Pins	
Coins for the Phone	
Card with your Personal Details on it	

Notes:

A Bobble type hat is better than a baseball hat as it can be pulled down to cover the ears. Plastic bags are for putting soiled clothing in. It is a good idea to line your rucsac with a strong bin liner as this will protect your kit from getting damp.
