

Airline Recognition Worksheet

Aircraft from Civil Airlines can be recognised by their two distinct markings - The Tail Logo which identifies the airline and the first letter or letters of their Registration Marking, which identifies the country they come from – for example - all airlines from the UK start as G-1234.

Below are six airlines – see if you can recognise or find out which Airline they are and from which Country they come from – you can get help from your local travel agent. (This activity worksheet meets Badge Requirement 3 b.)
