

To all interested in the future of Scouting in North-East Wilts' District

The present District Commissioner, Jane Palmer has indicated that she would like to retire from her present post and so we are beginning a search for her successor.

Roger Reeves, Deputy CC will form a search team and nomination forms will be circulated in the next two weeks. Forms can be downloaded from the Wiltshire Website or obtained from your present DC but do not let the absence of a nomination form deter you from nominating someone. We want the search to be as wide as possible and not confined to existing uniformed scouters. Executive members and parents could be considered. Please do not refrain from nominating someone just because you feel that they cannot be replaced in the job they are already doing. People may nominate themselves. Full induction and training is provided.

Please do not approach anyone to ask if they would consider the post and it is not appropriate to discuss your nominations with others.

The closing date for nominations will be March 20th 2009. These should be sent to:-
Roger Reeves, Deputy CC,
274, Marlborough Road,
Swindon,
Wilts'
SN3 1NR.

Following this date the search team will consider the nominations and draw up a short list. Letters will be sent to those short listed and if they are happy to be considered then an interview will be arranged. If a suitable candidate is selected then an announcement will be made at the District AGM. If no-one is appointed, the process will be repeated. We will be supported in the process by the Field Development Service.
